**§800.116 How to request original services.**

(a) *General.* Requests shall be filed with the agency or field office responsible for the areas in which the original service is to be performed. All requests shall include the information specified in §800.46. Verbal requests shall be confirmed in writing when requested by official personnel, as specified in §800.46. Copies of request forms may be obtained from the agency or field office upon request. If at the time the request is filed, the information specified by §800.46 is not available official personnel may at their discretion, withhold service pending receipt of the required information. An official certificate shall not be issued unless (1) the information as required by §800.46 has been submitted or (2) official personnel determine that sufficient information has been made available so as to perform the requested service. A record that sufficient information was made available must be included in the record of the official service.

(b) *Request requirements.* Requests for original services, other than submitted sample inspections, must be made with the agency or field office responsible for the area in which the service will be provided. Requests for submitted sample inspections may be made with any agency, or any field office that provides original inspection service. Requests for inspection or Class X weighing of grain during loading, unloading, or handling must be received in advance of loading so official personnel can be present. All requests will be considered filed when the request is received by official personnel. A record shall be maintained for all requests. All requests for service that is to be performed outside normal business

hours must be received by 2 p.m. the preceding day.

**§800.117 Who shall perform.**

Original services shall be performed by the agency or field office assigned the area in which the service will be provided.

[50 FR 45393, Oct. 31, 1985]

**§800.118 Certification.**

Official certificates shall be issued according to §800.160. Upon request, a combination inspection and Class X weighing certificate may be issued when both services are performed in a reasonably continuous operation at the same location by the same agency or field office.

OFFICIAL REINSPECTION SERVICES AND  
REVIEW OF WEIGHING SERVICES

**§800.125 Who may request reinspection services or review of weighing services.**

(a) *General.* Any interested person may request a reinspection or review of weighing service, except as provided for in §800.86(c)(5). Only one reinspection service or review of weighing service may be performed on any original service. When more than one interested person requests a reinspection or review of weighing service, the first person to file is the applicant of record.

(b) *Kind and scope of request.* The kind and scope of a reinspection or review of weighing service will be limited to the kind and scope of the original service. If the request specifies a different kind or scope, the request will be dismissed. The request may be resubmitted as a request for original services. Official criteria are considered separately from official grade or official factors when determining the kind and scope. When requested, a reinspection for official grade or official factors and official criteria may be handled separately even though both sets of results are reported on the same certificate. Moreover, a reinspection or review of weighing may be requested on either the inspection
